Good Afternoon. I just wanted to say a very, very sincere thank you for taking my case on and dealing with it. Taking away all the accusations and everything that obviously went with it. I truly appreciate your service. Anything else you need from me, just let me know.

I know you are busy today, I just wanted to take a moment and say THANK YOU! I know that you are just doing your job. But you have made the worst thing I have ever done in my life second to divorce go so smooth and you never made me feel second class, which is what I feel like. You do not need to reply, I just wanted to say thank you.

For everything ... Thank You .. I know I still have a small road ahead of me, but the ball is in my court and I will do whatever it takes to make sure things are done right. But for everything else THANK YOU. For the professionalism and respect Joseph Kreps gave me yesterday in the courtroom, thank you. I can see now why you are so good at what you do. THANK YOU again.

Thank you for taking care of my ticket. Your staff was very friendly. Dealing with the court is very frustrating and scary—I was kept informed and reassured by your firm.
